## Terms of Service

### Usage Agreement

By inviting the bot ("Zaria, "zaria") and using its features (commands) are you agreeing to the below mentioned Terms and Privacy Policy (Policy) .

You acknowledge that you have the privilege to use the bot freely on any Discord Server (Server) you share with it, that you can invite it to any Server that you have "Manage Server" rights for and that this privilege might get revoked for you, if you're subject of breaking the terms and/or policy of Zaria, or the Terms of Service, Privacy Policy and/or Community Guidelines of Discord Inc.

Through Inviting the bot may it collect specific data as described in its Privacy Policy.

The intended usage of this data is for core functionalities of Zaria such as command handling, guild-specific settings and the Welcoming System.

### Intended Age

The bot may not be used by individuals under the minimal age described in Discord's Terms of Service.

Features, such as commands which are marked as "NSFW" (Not safe for work) may not be used by individuals under the age of maturity in their country. Doing so will be seen as a violation of these terms and will result in a removal of Zaria from any servers you own.

### Affiliation

The Bot is not affiliated with, supported or made by Discord Inc.

Any direct connection to Discord or any of its Trademark objects is purely coincidental. Zaria do not claim to have the copyright ownership of any of Discord's assets, trademarks or other intellectual property.

### Liability

The owner of Zaria may not be made liable for individuals breaking these Terms at any given time.

Zaria has faith in the end users being truthful about their information and not miss-using this bot or The Services of Discord Inc in a malicious way.

We reserve the right to update these terms at our own discretion, giving you a 1-Week (7 days) period to opt out of these terms if you're not agreeing with the new changes.

You may opt out by Removing the bot from any Server you have the rights for.

People may get in contact through e-mail at [help@zaria.me](mailto:help@zaria.me), or through the official Support Discord of Zaria.

Other ways of support may be provided but aren't guaranteed.
